

**VICTORY ACADEMY OCALA
NEW STUDENT INFORMATION PACKET**

Victory Academy Admission Evaluation Process

The first step to enrolling at Victory Academy is to obtain a New Student Information Packet. After reading through the entire packet and signing the agreement that you understand and will comply with our school's Christian mission and philosophy, the next step is to fill out an application. It must be completed and returned to the school office with a non-refundable fee of \$50. We accept Step Up, Hope and AAA Scholarships.

The school will send for all your child's student records. If necessary, a date will then be set to administer an entrance evaluation to determine where your child is at academically in comparison to Victory standards. This fee is \$50. Your child's behavior records will also be reviewed. After these evaluation steps are completed, a date will be set for your child to spend an entire day at Victory Academy with the appropriate class to see how he/she will function in our environment.

The next step in the admission evaluation process is to schedule an interview with either the Headmistress or Principal to go over school policies as stated in the Handbook and to have a time for you to ask questions. It will also be discussed at this time if there are any objections to the Christian teaching your child will be receiving. After reviewing the application and all other required items, the Administrative Staff will then make the decision whether or not to admit your child. The Headmistress/Principal will then notify you of their decision. Every new student is placed on a 30 day probationary period while attending class for the final step in the admission evaluation process. If after that time period it has been determined that Victory Academy is not a good fit, then the student will be removed from the roll with no refund given.

Prospective Parent Letter

Dear Prospective Parent(s) of Victory Academy,

We are pleased that you have shown an interest in our school and would like to take this opportunity to acquaint you with the particular tenets that make our school special and unique. These will include our Mission Statement, Purpose and Philosophy of Education, and Student Handbook.

Victory Academy Ocala, Inc.'s **mission** is to provide a Christian based classical education for children in Jr. Kindergarten through 12th Grade dedicated to nurturing and challenging the whole person; body, mind and spirit to the glory of God. To that end we commit to:

- creating a Christ centered environment for students and faculty alike
- employing teachers who seek to serve, excite and challenge students to think
- teaching students to serve and honor Christ in word and deed
- providing leadership which inspires and empowers the faculty and students to carry out our mission encouraging students to seek their God-given talents and use them for His glory
- associating with like-minded people and ministries who will further Victory Academy's religious purposes and beliefs

“...but grow in the grace and knowledge of our Lord and Savior Jesus Christ, to Him be the glory, both now and to the day of eternity. Amen.” 2 Peter 3:18

Parental Responsibility (*Deut 6; Eph. 6:4*)

God has granted to parents the responsibility and authority for raising their children, including the responsibility of educating them. The heart of this education is the teaching of God's Word, with all areas of knowledge included. Victory Academy Ocala, Inc. seeks to assist parents in this God-given responsibility.

Goals for Victory Academy Ocala, Inc. “A Christ-Centered and Classical Education”

Christ centered – Christian World View: *In all its levels, programs, and teaching, Victory Academy seeks to:*

- A. Teach all subjects as parts of an integrated whole with the Scriptures at the center (II Timothy 3:16-17)
- B. Provide a clear model of the biblical Christian life through our staff and board (Matthew 22:37-40)
- C. Encourage every student to begin and develop his relationship with God the Father through Jesus Christ (Matthew 28:18-20, Matthew 19:13-15)

Classical: *In all levels, programs, and teaching, Victory Academy seeks to:*

- A. Emphasize grammar, dialectic, and rhetoric in all subjects (see definitions below)
- B. Teach subjects as they are integrated into the four periods of history: Ancients, Middle Ages, Renaissance/Reformation, Modern
- C. Encourage every student to develop a love for learning and live up to his academic potential
- D. Teach Latin 3rd-9th grades
- E. Provide an orderly and stimulating atmosphere conducive to the attainment of the above goals

Definitions:

Grammar: The fundamental rules of each subject; learning the facts, memorization (concrete thinking), “gaining knowledge”

Grades K-5th would find students gathering facts, storing up large amounts of knowledge, dealing with concrete information, learning standards of truth, memorizing lists of basics from each curricular area, and engaging in hands on experiential learning.

Dialectic: The ordered relationship of the particulars in each subject; how the facts work, the “why” stage (analytical thinking-understanding), “gaining understanding”

Grades 6th-8th would find students gathering information into proper relationships, learning to reason, studying formal logic, putting parts together to form the whole, shifting from concrete to analytical, doing cross-curricular projects, discovery, and experiments.

Rhetoric: How the grammar and logic of each subject may be clearly expressed; writing and speaking with eloquence (abstract thinking-wisdom), “gaining wisdom”

Grades 9th-12th would find students using abstract thinking, delving deep into curricular materials, using knowledge and understanding in application to life issues, writing and presenting research. Students should use these methods: essays, oral presentations, debate, defense papers, cross-curricular projects, and written expression.

Why use a Classical approach and methodology?

People with a Christian worldview developed the classical educational system.

The classical approach coheres better with a biblical view of man. Secular educational theory views man as inherently good and, if left to his own devices, will choose the right thing. The classical approach inculcates information, how to think and how to communicate, rather than leaving the students to their own devices to discover their own truth.

The Trivium model of classical education passes the biblical test. The model is comprised of three phases of learning: grammar, dialectic, and rhetoric. These are but new labels for progression in biblical concepts; gaining knowledge, then understanding, and finally wisdom.

The classical Christian methodology acknowledges God as the source of all knowledge. The classical approach establishes Scripture at every point as the foundation on which to build all knowledge.

There are other tenets regarding a Classical approach cited in the Parent/Student Handbook.

We ask that you read our Admissions criteria/standards for evaluating prospective students and our Student Handbook. After reading this letter, Admissions criteria, and Student Handbook and are in agreement with our school’s Christian mission and purpose, please sign on the following page that you agree. The next step is to fill out an application.

In Christ,

Carey Jones

Carey Jones
Headmistress

VICTORY ACADEMY VICTORY VERSES

Proverbs 2:6-8 and 1 Corinthians 15:57

For the Lord gives wisdom, and from His mouth come knowledge and understanding. He holds VICTORY in store for the upright, He is a shield to those whose walk is blameless, for He guards the course of the just and protects the way of His faithful ones. But thanks be to God! He gives us the VICTORY through our LORD JESUS CHRIST.

VICTORY ACADEMY OCALA STATEMENT OF FAITH

We believe the Bible to be the inspired, the only infallible, authoritative, inerrant Word of God in its entirety and, therefore, is our final authority in matters of faith and practice. (2 Timothy 3:16, 2 Peter 1:21).

We believe there is one God, eternally existent in three persons – Father, Son, and Holy Spirit. He is omnipotent, omniscient, and omnipresent. (Genesis 1:1, Matthew 28:19, John 10:30).

We believe in the deity of our Lord Jesus Christ (John 10:33), His virgin birth (Is 7:14, Matthew 1:23, Luke 1:35), His sinless life (Hebrews 4:15, 7:26), His miracles (John 2:11), His vicarious and atoning death (1 Corinthians 15:3, Ephesians 1:7, Hebrews 2:9), His Resurrection (John 11:25, 1 Corinthians 15:4), His Ascension to the right hand of God (Mark 16:19), His personal return in power and glory (Acts 1:11, Revelation 19:11).

We believe in the absolute necessity of regeneration by the Holy Spirit for salvation because of the exceeding sinfulness of human nature and that men are justified on the single ground of faith in the shed blood of Christ and that only by God's grace and through faith alone are we saved (John 3:16-19, 5:24; Romans 3:23, 5:8-9; Ephesians 2:8-10; Titus 3:5).

We believe that faith without works is dead (James 2:17, 26).

We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of condemnation (John 5:28-29).

We believe in the spiritual unity of believers in our Lord Jesus Christ (Romans 8:9, 1 Corinthians 2:12-13, Galatians 3:26-28).

We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life (Romans 8:13-14; 1 Corinthians 3:16, 6:19-20; Ephesians 4:30, 5:18).

We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complimentary genders together reflect the image and nature of God. (Genesis 1:27-28) Rejection of one's biological gender is a rejection of the image of God within that person.

We believe that the term "marriage" has only one meaning and that is marriage sanctioned by God which joins one man (biological male) and one woman (biological female) in a single, exclusive union, as delineated in Scripture. (Genesis 2:18-25) We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other. (1 Corinthians 6:18, 7:2-5, Hebrews 13:4) We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman. (Genesis 2:18, 22-24, Matthew 19:4-6, Mark 10:6-9, Hebrews 13:4)

We believe that any form of sexual immorality (including adultery, fornication, homosexual behavior, bisexual conduct, bestiality, incest, and use of pornography) is sinful and offensive to God. (Matthew 15:18-20, 1 Corinthians 6:9-10)

We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ. (Acts 3:19-21, Romans 10:9-10, 1 Corinthians 6:9-11)

We believe that every person must be afforded compassion, love, kindness, respect, and dignity. (Mark 12:28-31, Luke 6:31) Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture nor the values of Victory Academy Ocala.

We believe in the sanctity of God-given human life, that it begins at the moment of conception and that it is a violation of God's Sixth Commandment to purposefully and willfully end a life before birth. (Psalm 139:13-16)

We believe that in order to preserve the function and integrity of Victory Academy Ocala, Inc. as part of the local Body of Christ and to provide a biblical role model to Victory Academy Ocala, Inc.'s staff, students, and the community, it is imperative that all persons employed by Victory Academy Ocala in any capacity, or who serve as volunteers, agree to and abide by this Statement on Faith. (Matthew 5:16, Philippians 2:14-16, 1 Thessalonians 5:22)

This Statement of Faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality and the proper conduct of mankind, is the sole and final source of all that we believe. Victory Academy Ocala, Inc.'s Governing Board of Directors has final interpretive authority regarding the Bible's meaning and application as it relates to Victory Academy Ocala, Inc.'s faith, doctrine, practice, policy, and discipline.

STATEMENT ON THE FAMILY

Parental Responsibility (Deut 6; Eph. 6:4)

God has granted to parents the responsibility and authority for raising their children, including the responsibility of educating them. The heart of this education is the teaching of God's Word, with all areas of knowledge included. Victory Academy Ocala, Inc. seeks to assist parents in this God-given responsibility.

WHY USE A CLASSICAL APPROACH AND METHODOLOGY TO EDUCATE OUR STUDENTS?

People with a Christian worldview developed the classical educational system.

The classical approach coheres better with a biblical view of man. Secular educational theory views man as inherently good and, if left to his own devices, will choose the right thing. The classical approach inculcates information, how to think and how to communicate, rather than leaving the students to their own devices to discover their own truth.

The Trivium model of classical education passes the biblical test. The model is comprised of three phases of learning: grammar, dialectic, and rhetoric. These are but new labels for progression in biblical concepts; gaining knowledge, then understanding, and finally wisdom.

The classical Christian methodology acknowledges God as the source of all knowledge. The classical approach establishes Scripture at every point as the foundation on which to build all knowledge.

Classical methodology pays close attention to the developmental stages of a child's brain development and intellectual growth to maturity.

Classical methodology capitalizes on the strengths of God's creative work by requiring of a child what he is best equipped to do: memorization-grammar stage; argument-dialectic stage; analysis and expression-rhetoric stage.

Classical methodology is beneficial for students because the meeting of high standards and expectations will build self-respect and develop confidence. Emphasis on character building provides strength and a source of hope for all students.

Classical education's emphasis on mankind's common heritage is far more conducive to racial harmony than multicultural ideologies that segregate people into assorted categories.

The selection of classical is made after much reading, research, and prayer.

Classical education does not permit students to perform below their ability level and gives the instructor the tools to change the "who cares" attitude.

Classical education provides a way for the learner to acquire information, grasp it intellectually, and use it purposefully. It teaches them not to simply learn a subject but how to think.

Present schools who have adopted a classical education approach cite great strides in the academic and cognitive abilities of their students as compared to a modernistic approach.

ADMISSION REQUIREMENTS

Admission Procedure for New Students:

- A.** The first step to enroll your child at Victory Academy is to obtain a **New Student Information Packet**. Read through the entire packet and sign the agreement page at the close of the Prospective Parent Letter, stating that you understand and will comply with Victory Academy's Christian mission and philosophy. The next step is to fill out an application. It must be completed and returned to the school office with a non-refundable fee of \$50. We accept Step Up for Students and AAA Scholarships.
- B.** The school will then send for all of your child's student records. If necessary, a date will be set to administer an entrance evaluation to determine where your child is academically in comparison to Victory's standards. The fee is \$50 and paid the day of testing. Your child's behavior records will also be reviewed.
- C.** After these evaluation steps are completed, a date will be set for your child to spend a day or part of a day at Victory Academy (shadow) with the appropriate class to see how he/she will function in our environment. If you are applying after the school year has been completed, your child will need to attend for a day during the Victory/Gifts summer program or be allowed to attend class in the fall for a pre-determined probationary period.
- D.** Next step, an interview will be arranged with the Headmistress/Principal to go over school policies as outlined in the Parent/Student Handbook and allow time for you to ask questions. Also, to be addressed is, if you have any objections to the Christian teaching your child will be receiving.
- E.** After reviewing the application and all other required items, the Administrative Staff, after much prayer, will then make the decision whether or not to admit your child to the Academy. The Headmistress/Principal will then notify you of their decision.
- F.** Every **new** student will have a **30 day probationary period** of attending class for the final step in the admission evaluation process. If during that time period, it has been determined that Victory Academy is not a good fit, for whatever reasons, the student will be removed from the roll with no refund given.

Additional Admission Requirements for the Student:

- A.** A child must be four years old by August 1st and **completely** toilet trained at the time of entering Jr. Kindergarten for K-4.
- B.** A child must be five years old by August 1st to begin the fall term in which he would be entering Kindergarten for K5. (Each child will be individually assessed to determine best placement)
- C.** If a child has successfully completed the previous school year and his school work and behavior compare favorably to the comparable grade at Victory Academy, plus he/she fared well on the entrance evaluation if administered, the child will likely be placed in the grade for which he is applying. However, if it is determined that the child may not be adequately prepared for the next sequential grade level, it may be necessary that he repeat the previous grade. Final decision is the Victory Administration's.

Admission Requirements for the Parents:

- A.** Though not required to be Christians, the parents of students attending Victory Academy Ocala, Inc. should have a clear understanding of the biblical philosophy and purpose of Victory Academy Ocala, Inc. This understanding includes a willingness to have their child exposed to the clear teaching (not forced indoctrination) of the school's Statement of Faith in various and frequent ways and the Bible curriculum within the school's program.
- B.** The parents must be willing to cooperate with all the written policies of Victory Academy Ocala. This is most important in the area of discipline (see Discipline Guidelines) and school work standards, and to engage in active communication with the respective teacher(s) and administration.

ADDITIONAL FORMS and MEDICATIONS

- A.** All students attending Victory Academy Ocala must have on file with the school office, either a current immunization record or an exemption statement according to Florida Code, before entering school in the fall. Standard immunization record forms may be obtained from your child's physician. They must also have a current school physical not over a year old.
- B.** All students attending Victory Academy Ocala must have a birth certificate on file and have completed the Emergency Contact Information (included in application).
- C. Non-Prescription** medicine will only be administered by the **parent/guardian** during the school term. **Prescription** medicine must be accompanied by a **letter** and **prescription** from a licensed doctor and will be administered through the Office by Office personnel. Medicine must be brought to the office by the parent/guardian and kept in the office. No medicine may be brought in by the child in a backpack or otherwise.

ATTENDANCE/TARDY GUIDELINES

A student enrolled in Victory Academy Ocala is expected to be present and on time to school every day school is in session. Attendance records for all students are kept by the individual classroom teachers and submitted to the office to be reported on the student's report card each quarter. Excessive absences except for illness and family emergencies will be brought to the attention of the principal and a conference may become necessary. If your child will be absent or signed out early, you are to notify the office through GroupMe, via private message. 15 or more unexcused absences in a 90 day period, a student is considered a habitual truant, per Marion County School Board.

Definitions:

1. *Full-day absence*: a day in which a student is absent from school for 3 ½ hours or more
2. *Half-day absence*: a day in which a student is absent from school between 1 and 3 ½ hours
3. *Tardy*: any time a student is not dropped off at school by the time carline closes at 8:15 AM

4th tardy – parent contacted by the office

5th tardy and all **subsequent tardy days during that quarter**, the child will not be admitted to class and the parent will be responsible for his/her child that day – NO EXCEPTIONS.

Tardiness creates difficulties for the classroom teachers as instruction begins at 8:15. Carline is open from 8:00 to 8:15. All students who are tardy must report to the office **with** the adult driving him/her and get **signed in**. The student will then be given an admit slip to class.

GRIEVANCE POLICY

These guidelines are to be followed whenever there is a dispute or grievance concerning any aspect of Victory Academy Ocala operations, between any two parties connected in a direct way to the school. This includes students, parents, staff, volunteers, administration, and Board.

General Guidelines:

Victory Academy Ocala will always endeavor to follow the principles of **Matthew 18:15**: "If your brother sins against you, go and show him his fault just between the two of you. If he listens to you, you have won your brother over. But if he will not listen, take one or two others along, so that every matter may be established by the testimony of two or three witnesses. If he refuses to listen to them, tell it to the church...."

Classroom/teacher related issues:

1. All concerns about the classroom must **first** be presented to the teacher by the parent and not to other parents.
2. If the problem is not resolved, the parents may then bring the matter to the administration with the teacher and sometimes the child being present.
3. If the problem is still not resolved, the parents should then appeal the decision to the Victory Academy School Board.

All non-classroom/teacher related issues:

1. If the problem does not involve the classroom teacher, the parents are to take the matter to the administration and not to other parents.
2. If the problem is not resolved, the parents should then appeal the decision to the Victory Academy School Board.

Proverbs 11:13 A gossip betrays a confidence, but a trustworthy man keeps a secret. Proverbs 26:20 "Without wood a fire goes out; without gossip a quarrel dies down." Proverbs 26:22 "The words of a gossip are like choice morsels; they go down to a man's inmost parts." **Gossiping** about our grievances only hurt the people concerned, the school, and greatly exacerbates the problem. Please, with God's help refrain from gossiping with others when you have a complaint.

STUDENT CODE OF CONDUCT

Students are expected to demonstrate basic Christian standards of behavior and conversation as specified in the Bible.

1. The Three Pillars of Honoring GOD in All You Do:

A. LOVE

Luke 10:27 Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind; and love your neighbor as yourself.

I Corinthians 13:4-8 Love is patient, love is kind. It is not proud. It is not rude, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, and always perseveres. Love never fails.

B. RESPECT

I Peter 2:17 Show proper respect to everyone, love the family of believers, and fear God...

To Teachers: First time listeners, obedience, words, actions

To One Another: Personal space, words, actions

Self: Being your best, attitude, appearance

C. RESPONSIBILITY

Luke 12:48 To whom much is given, much shall be required.

Work: Homework, classwork, organization, clean desk

Time: Use wisely in all areas

2. Chewing gum is not allowed unless special permission is given. Music devices, distracting toys/tools are not allowed on the school grounds unless first cleared by the Administration. Cell phone use is not allowed unless special permission is given by a teacher or administrator. It must be kept in the student's backpack upon arrival and not taken out until back in the vehicle at the end of the school day. If this policy is disobeyed, the phone will be put in the office and parents notified. After 2 repeated offenses, the student will not be allowed to bring the phone to Victory. Absolutely no guns or knives are allowed on school grounds, toy or otherwise.
3. Students are expected to treat the school's materials and facilities with respect and care. This includes all books distributed to the students. Parents will be charged for lost or damaged books and any damage to school property.
4. We believe that teaching students to do their own work and keeping their eyes on their own papers should begin in the Grammar School years. Cheating is unacceptable at Victory Academy and is defined as: plagiarism or copying an answer from another's paper or working with others on an assignment that was intended to be completed individually. It also involves presenting something as yours that was written by someone else.
5. Use of all restrooms and locker rooms will be as follows: Those marked boys/men will only be used by biological males from birth and those marked girls/women will only be used by biological females from birth.
6. Children are not allowed to share food or drinks. Sodas are only allowed on special occasions. Please send in healthy snacks and lunches. Please make sure your child eats breakfast before coming to school. No refrigerator or microwave use unless medically necessary and overseen by staff.

DISCIPLINE POLICY – A CULTURE OF GRACE

The kind and amount of discipline will be determined by the teachers, and if necessary, the Principal/Dean of Students. The discipline will be administered in the light of the student's problem and attitude. All discipline will be based on biblical principles, e.g. restitution, apologies (public and private), restorative of fellowship, no lingering of attitudes, swift, and purposeful. Love and forgiveness will be an integral part of the discipline of a student as well as encouragement to make choices that will be honoring to God. Most discipline problems are to be dealt with at the classroom level.

I. Office visits: There are five basic behaviors that will automatically necessitate discipline from the Principal/Dean of Students:

1. **Disrespect** shown to any staff member.
2. **Dishonesty** in any situation including lying, cheating, and stealing.
3. **Rebellion** described as outright disobedience in response to instructions.
4. **Fighting**, i.e. striking in anger or otherwise with the intent to harm the other student(s).
5. **Bullying**, aggressive behavior in which someone intentionally and repeatedly causes another person injury or discomfort that is physical and/or verbal.
6. **Obscene, vulgar, or profane language**, as well as taking the name of the Lord in vain.

The Principal/Dean of Students will determine the nature of the discipline and may require restitution, janitorial work, detention, parental attendance during the school day with their student, or other measures consistent with biblical guidelines which may be appropriate. The following procedures will be observed when a student is sent to the office at any time during the course of the school year:

1. The first two times a student is sent to the Principal/Dean for discipline, the student's parents will be contacted immediately afterward by phone and email and given the details of the visit. The parents' assistance and support in averting further problems will be sought. Consequences will be determined by Administration/Staff.
2. The third office visit will be followed by a conference with the student's parents, Principal/Dean, Teacher, and student (if necessary) and may result in a detention or other means of discipline as determined by Administration.
3. Should the student require a fourth office visit, a **two-day suspension** will be imposed on the student. This may be an in school suspension as will be determined by Administration.
4. If a fifth office visit is required, the student may be **expelled** from the school.

II. Expulsion: Victory Academy realizes that expelling a student from school is a very serious matter and should always be carefully dealt with on a case-by-case basis. Forgiveness and restitution are fundamental to our total discipline policy. However, should a student and his parents not be able to eliminate behavioral problems before a fifth office visit, the student may be expelled.

III. Serious Misconduct: Should a student commit an act with such serious consequences that the principal deems it necessary, the office-visit process may be bypassed and **suspension or expulsion** imposed immediately. Examples of such serious misconduct could include: acts endangering the lives of other students or staff members, gross violence/vandalism to the school facilities, violations of civil law, or any act in clear contradiction of scriptural commands. Students may be subject to school discipline for serious misconduct which occurs after school hours.

VICTORY ACADEMY UNIFORM POLICY

Our uniform policy is driven by a desire to create and promote an environment of learning where dress is not a distraction to the educational process.

Our goal is to honor God in all we do. The uniform code addresses security. On field trips, it aids teachers in keeping track of everyone. On the playground or in the school, teachers and staff can clearly identify students from outsiders.

Students will wear clothing according to their God – given biological gender.

Students are expected to be in uniform while on campus unless otherwise specified by the administration. The administration is responsible for the interpretation of the policy, and the enforcement of the policy is the responsibility of parents, administration, and staff. All clothing must be presentable: clean, no holes, or excessive wrinkles. Make sure your child's name is on all outerwear and ties. Please refer to the Lands' End Catalogs for our specific school dress code. The Grammar School will use the Eagle logo (K4 - 5th) and the Logic (6th - 8th) and Rhetoric School (9th) will use the VA logo.

VICTORY ACADEMY FUNDRAISERS

Victory Academy Ocala is dedicated to keeping our tuition cost low. In order to do this and establish a stable financial base in which to operate from, we must have fundraisers throughout the year to meet our budget requirements. We need and require all families to participate in our fundraisers. That being said, here are the possible fundraisers for our upcoming school year:

Double Goods Popcorn, Candy Grams, Snowball Shop, and the **Spring Auction** are a few of the Fundraisers held at Victory.

Each family is encouraged to purchase **school photos, yearbooks,** and **Kona Ice slushies** as all of these are fundraisers to help the school as well.

Other: There will be other fundraisers during the year which will be announced when determined. Everyone's participation will be needed to make them successful.

Should you decide not to participate in any of the **major fundraisers,** a **\$100 fee** will be assessed per fundraiser and added to your monthly statement.

Thank you for your understanding and support. We are doing our best to keep costs down for you.

PARENT TEACHER FELLOWSHIP – PTF

Victory Academy is about relationships among all of us! We are one family serving one another as we all serve our Savior, Jesus Christ. **1 Peter 4:10** tells us that, “Each one should use whatever gift he has received to serve others.” We use these gifts at Victory through volunteering/serving at our school. Our goals are the following:

1. To serve as a connection between teachers and parents and provide a venue where the two may interact on issues facing our students.
2. To continually improve and enhance the quality of our school.
3. To develop between teachers and parents united efforts that will secure for our children the highest advantages in physical, mental, social and spiritual education.
4. Assist with school fundraising, classroom projects, teacher appreciation week, and other various events including community service projects.
5. To encourage and stimulate parental participation in the community of Victory Academy.

Each family enrolled at Victory Academy is a member of the PTF and serves with their child’s class. Parents help out in the classrooms, plan events, and coordinate projects. This active involvement ensures the continued excellence of Victory Academy for our students. A minimum of 20 hours per school year is required per family. Your time adds worth to our school. As a way to encourage every family to invest this much appreciated time, we have assessed a value of \$ 25 per hour. Donations of needed supplies or of cash toward special projects may also be part of the 20 hours. Any hours not completed at the end of the school year will be due before year end grades and testing scores are released.

6. The PTF functions under the authority of the Administration and School Board. It is made up of an Executive Committee which includes the teacher and the parent representative for each grade level. All parents participate with their child’s assigned class.
